Data Analyst — Data Scientist — BI Developer — Data Engineer

Skilled in Power BI, Python, SQL, Excel, and data storytelling. Adept at data preprocessing, dashboarding, statistical modeling, and data-driven decision-making. Passionate about solving business problems with creative analytical solutions.

EDUCATION

Parul University <i>B.Tech in Computer Science and Engineering - PIT — CGPA: 7.77</i>	Vadodara, Gujarat 2022 – 2026
---	----------------------------------

PROJECTS

HR Analytics Dashboard <i>Power BI, Data Analysis</i> – Built an interactive HR dashboard using Power BI to monitor attrition trends and KPIs. – Analyzed employee attrition by age, education, job role, and gender. – Visualized insights using bar charts, heatmaps, and calculated KPIs.	Nov 2024 – Jan 2025
Netflix Visualization Dashboard <i>Power BI, Data Visualization</i> – Designed visualizations for Netflix content: genre, ratings, growth trends. – Implemented heatmaps and slicers to filter content globally and by year. – Enabled trend-based recommendations using genre-wise and year-wise analysis.	Jan 2025

CERTIFICATIONS

PwC Power BI Job Simulation (Forage) <i>Score: 80/100</i>	Jan 2025 <i>Online</i>
Quantium Data Analytics (Forage) <i>Score: 80/100</i>	Jan 2025 <i>Online</i>
Excel Using AI Workshop (OfficeMoster)	May 2024 <i>Online</i>
GUVI Certification by HCL - Data Analytics	Dec 2024 <i>Online</i>
Data Visualization Program (Forage) <i>Score: 80/100</i>	Jan 2025 <i>Online</i>

TECHNICAL SKILLS

Languages: Python, C++, SQL
Data Analytics: Pandas, NumPy, Power BI, Tableau, Excel (Advanced), EDA, Statistical Analysis
Visualization: Power BI, Tableau, Matplotlib, Seaborn
Databases: MySQL, SQL Server
Concepts: Machine Learning, Data Cleaning, KPI Tracking, Predictive Modeling
Soft Skills: Communication, Critical Thinking, Storytelling, Stakeholder Collaboration

WORKSHOPS & TRAININGS

Gujarat Tableau User Group Workshop <i>Parul Institute of Technology</i>	Dec 2024 Vadodara
Excel Using AI <i>OfficeMoster</i>	May 2024 <i>Online</i>
Data Science Certification Workshop <i>GUVI x HCL</i>	Dec 2024 <i>Online</i>

ACHIEVEMENTS

- Awarded for innovative use of Power BI in analytics projects.
- Winner in Python and C++ coding competitions.
- Recognized for top performance in Power BI and data visualization job simulations.
